

Agencies Reporting Most Serious Injuries

Table 3 shows the ten agencies with the most serious injuries reported. The responding agencies reporting the most serious injuries in Table 3 do not seem to be driven by the size of the victim population listed in Table 2.

Table 3. Agencies Reporting Most Serious Injuries

RUTLAND	71
BRATTLEBORO	24
SP: WESTMINSTER	23
SP: MIDDLESEX	19
SP: ST. ALBANS	18
SP: RUTLAND	17
BURLINGTON	16
SP: ROYALTON	16
ST. ALBANS	11
BARRE CITY	10

The Rutland Police Department reports four times more serious injuries than the Burlington Police Department. Rutland City has a population of 16,500 in the 2010 census. To understand the disparity, the proportion of IPV victims who suffered serious injuries was reviewed. See Table 4 below.
